Cooking with fire Wood-Fired BBQ/ Braai

Braais are your connection to a better barbecue and tastier dinners, it is an all occasion cooking and entertaining experience. Real fire inspired BBQ's are making people re-think what's for dinner all across Australia. Braais are totally unique as they also serve as a natural fireplace, creating an ambience no other BBQ or cooktop can offer you. Why not create a perfect mood for family and guests.

Built in or Freestanding Braais give you all the freedom in one fire solution. The hearth of the fireplace and fire grilling experience is wherever you decide to place it. These units are perfect to spruce up your alfresco or turn your backyard into a foodie destination.
